Throughout its dramatic history, Chicago has been a symbol of growth, energy, innovation and, most significantly, American architectural traditions. As a thriving center of culture and commerce, Chicago's unique can-do spirit serves as a great inspiration. Trump International Hotel & Tower Chicago was developed to enhance and maintain the beauty, culture, sophistication and heart of this world-class city. As the debut of the Trump name in Chicago, Trump International Hotel & Tower combines spectacular location with stunning architecture, unparalleled views and bold new standards in finishes and amenities. For both hotel guests and residents, Trump International Hotel & Tower offers a new elegance for a truly exceptional lifestyle.

"This award is important to us because it represents recognition from the brokerage community as to the significance of Trump International Hotel & Tower Chicago. Their support is meaningful and essential to any large scale development such as ours. We look forward to continuing our relationship with the brokerage community given the vast real estate opportunities within our development. We deeply value their acknowledgement and contribution to our progress and are very appreciative of this award." Eric Trump, executive vice president of development and acquisitions, The Trump Organization.
