8 P.M. (HGTV) HGTV URBAN OASIS 2011

The channel gives a 360-degree tour of its latest giveaway, a one-bedroom apartment in the Trump International Hotel and Tower in downtown Chicago. Designed by Vern Yip with references to both the Arts and Crafts movement and the Prairie School, the apartment features maple cabinetry and wide-plan flooring, linear stone-mosaic tile, quartz counters that suggest the city's lakefront and sweeping vistas of its skyline. In "Color Splash," at 9:30, the designer David Bromstad tints the master bedroom of a Manhattan loft in a palette inspired by Dylan's Cady Bar. In "Home by Novogratz," at 10, Courtney and Bob Novogratz create extra sleep-and-play space for triplets in a cramped Midtown Manhattan apartment.
